To Michael Bordenaro @ Beachfront Realty

I would like to take this opportunity to let you know how much I have appreciated everything you have done for us , from the first moment we met I knew you were the one.

I was doing this condo sale long distance and I had no idea how this was going to go down, I was very nervous because of my busy schedule and did not know what to expect if anything surfaced in the way of repairs etc.

Well a few things did surface and you were right there to handle them for me, finding me the right people for various jobs so we could get this condo sold. There was no effort on my part, you did everything and made it look so easy, not to mention all the advise you gave me and the explanations.

It is with great pleasure in giving you the highest referral.

Should I need a realtor to handle any upcoming business for me in Miami Beach or wherever, you will be the only person I will call. It is been a great pleasure to work with you.

I will miss you, take care.

Sincerely,
